# SET YOUR COURSE FOR ACTION, ADVENTURE AND FUN!

Lights...camera...ACTION! The cameras are rolling and the Disney Afternoon is coming to you "live" at Disneyland. All of your favorite characters from "Disney's DuckTales," "Disney's Adventures of the Gummi Bears," "Chip 'N Dale's Rescue Rangers" and "Tale Spin" TV programs have taken over the Park!

At the Autopia, your Rescue Ranger race car speeds off, narrowly escaping the hair raising clutches of the evil Fat Cat as he tries to keep you from successfully completing the course.

An enchanting motor boat cruise winds through Gummi Glen, the mythical, medieval land where dragons, knights-in-shining-armor and the lovable, huggable Gummi Bears await you at every turn.

Videopolis has surprises around every corner and plenty of opportunities to be with the heroes and heroines of Disney's newest cartoons. Visit an entire city block of characters, photo locations, food and fun! Then go "Plane Crazy." This musical comedy caper spotlights Baloo and Louie, the stars of "Tale Spin." They lead a band of hero-adventurers on the quest for a stolen top secret spy plane, abducted and shrunk to pocket size by the villainous Don Karnage.

Share the adventures, thrills and surprises with your favorite daytime cartoon characters during "Disney Afternoon Live at Disneyland!"

### Tips to make your visit more pleasant

Enjoy your day at Disneyland to the fullest with these time and energy-saving suggestions:

### Attractions

No matter what the season, the best time to see the most popular attractions is early in the day (before noon) and just before closing.

Also, plan on eating your meals early or late so you'll avoid the lunch and dinner rushes.

If you plan to do some shopping, don't hold off until the end of the day. The shops are usually the busiest at that time.

The descriptions on pages 6-25 will help you decide what attractions you'd like to see, where you might want to eat, and which shops you'd like to browse through. The Park map on the inside is a helpful guide.

No tickets are required on any attraction: your Passport provides unlimited use of all adventures and attractions (except arcades).

### Safety Considerations

Shoes and shirts must be worn at all times in Disneyland. We request that no food or beverages be brought into Disneyland. A picnic area is located west of the Main Entrance for your convenience. Also, for the comfort of those around you, we request that there be no flash photography, eating or drinking in any attraction. **Smoking is not permitted in any attraction or waiting area. We thank you for your cooperation and consideration.**

### Re-entry to Disneyland

If you wish to leave Disneyland and return the same day during regular operating hours, a valid Disneyland Passport and a hand stamp are required for readmission. You may also re-enter the parking lot on the same day (free of charge) if you retain your parking ticket and present it at the Guest Parking Entrance.

Are you a Disneyland Hotel guest or visitor leaving by way of the Disneyland Hotel Monorail Station? You must have a valid Disneyland Passport and a hand stamp as you exit the station if you plan to return to Disneyland the same day.

### Disney Characters

Find Disney characters throughout Disneyland at any given time. You can usually see Mickey Mouse and his friends in Town Square (except during parade times). Just keep your eyes open and your camera ready.

### Photo Processing by Fox Photo

Drop off your film at various locations throughout the Park and at the Disneyland Hotel for two-hour or next-day processing by Fox Photo. You may pick up your prints at the Camera Center on Main Street or Castle Sundries at the Disneyland Hotel.

*Attention Young at Heart! Splash Mountain, Space Mountain, Star Tours, Matterhorn Bobsleds, Big Thunder Mountain Railroad and Autopia have boarding restrictions. Guests should be in good health and free from heart, back or neck problems, motion sickness or other conditions that could be aggravated by these adventures. Expectant mothers and children under 3 should not ride. See a host or hostess at these attractions for more information.*

*For your safety and convenience at Parade time, please honor designated Parade viewing areas and use designated crosswalks.*

# KODAK PICTURE TIPS FOR Disneyland.

**1** For sharp pictures, hold your camera steady as you gently press the shutter release.

**2** Add a feeling of depth to your pictures by "framing" the subject with a foreground object such as an arch or tree branch.

**3** Personalize your pictures by including friends or family members in the foreground.

**4** For natural pictures of people have them involved in a fun activity rather than staring at the camera.

**5** Make title pictures for your picture story by photographing identifying signs.

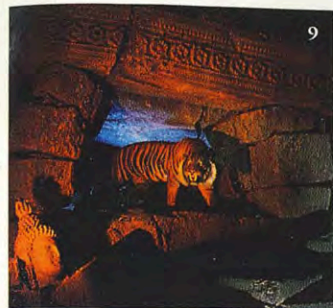

**6** Concentrate attention on your main subject by moving in close enough for it to fill the entire viewfinder (check your camera manual for the minimum subject distance).

**7** You may want to capture interesting details of subjects by moving in close. With the close-up setting on some Kodak cameras you can get as close as 18 inches.

**8** For good flash pictures be sure to keep your subject within the flash distance range for your camera. Flashes are not functional for subjects beyond 50 feet, such as fireworks.

**9** If you have a 35mm camera, you can photograph outdoor subjects after sundown and indoor subjects using fast films, such as KODACOLOR GOLD 400 Films (set exposure meter at 400) and KODACOLOR VR 1000 Films (set exposure meter at 1000).

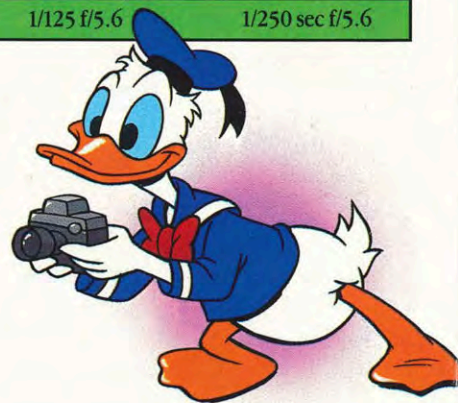

**N**eed film? Want photo advice?

See the experts at the Camera Center presented by Kodak, on Main Street U.S.A. Kodak film is also available at other shops throughout Disneyland.

**F**orget your camera? **KODAK** Cameras available for rental during your visit to Disneyland. Ask for details at the Camera Center.
