Disneyland branch of Bank of America...

In the unique, old-fashioned atmosphere of this branch, you may find it hard to believe that it is a fully-equipped, completely modern banking office! Yet that's why we're here—to be your bank away from home! It is our desire to provide you with the same friendly service that you receive at your hometown branch. Out-of-state visitors—as well as our regular California customers and friends—are cordially invited to make full use of these facilities.
