

Have a happy time at Disneyland and a safe trip home. And, for a more care-free life at all times, be sure you and your family have the proper insurance protection. If you have any questions about your own insurance program — on your home, your car, your life, or your health — call your local INA or PEG agent. You'll find his name in the yellow pages — and when you see him, you'll find out that when insurance comes from imagINation, it comes from INA.

INA and its affiliate PEG (Pacific Employers Group), a California-based insurance company with headquarters in Los Angeles, provide every type of coverage for businesses and individuals. One of the nation's leading all-lines insurance companies, INA was founded in Philadelphia's Independence Hall in 1792. During 1967, INA is celebrating its 175th anniversary.
